

Beauty: Spring 2016 Beauty Trends to Try Now

Fresh off the runways, we give you the top three looks to try PLUS the products you need!

We're right in the heat of Spring 2016 shows, and our Instagram feeds are chock-full of front-row snaps! What's on the models' faces is just as important as what's on their bodies. Here, we present three hot looks, along with the products you need to achieve them yourself right now!

#1 Blue Eyes

The runways of Jonathan Saunders and Roksanda saw models' eyes awash with hues of blue, from a sheered-out shadow to clean liner defining the peepers.

Try:

Sleek MakeUp's Original I-Divine Eye Shadow Palette

Maybelline's Color Show Eyeliner in Ocean Blue

Zoeva's Cream Eyeliner in After Hours

#2 Pigmented Lips

Models at Burberry Prorsum, Giles and Jason Wu set the bar for high-octane lips. From bright red to moody berry, the pouts sure packed a punch.

Try:
Sleek MakeUp's True Colour Lipstick in Reddy To Sail

Maybelline's Color Sensational Bold Matte Lipsticks in
Matte 4

Laura Mercier's Chrome Extravagance Lip Parfait Creamy Color Balm in Crème de Cassis

Flushed Cheeks

A healthy blush was swept across models' cheeks at House of Holland, Michael Kors and Ralph Lauren. The resulting sun-kissed look left the girls looking youthful and wind-swept, lending a fun, carefree vibe to the show.

Try:
Benefit Cosmetic's Rockateur

Sleek MakeUp's Face Form in Light

3CE's Face Blush in Valentine Pink
